STATE COVID VACCINE INITIATIVE: State DHSS announced their "Sleeves Up for Summer" campaign, encouraging Alaskans to get vaccinated against COVID-19. Their goal is to increase vaccinations statewide by 25% during the month of May. The COVID-19 vaccines are safe, effective and our best shot at containing the virus and revitalizing Alaska's economy. Community immunity, achieved when we reach high vaccination rates, will help protect all Alaskans from COVID-19 and will keep our state up and running. Governor Dunleavy had this to say: "Vaccination is a choice, and it will not be mandated by the state, but I hope you consider it. I'm getting the vaccine because I want to help Alaska businesses get back to work and to doing all the things we love to do as Alaskans." If you are interested in receiving the vaccine, please contact the IFHS Clinic at 581-1202 or Oonalaska Wellness Center at 581-2742.

COVID VACCINES ADMINISTERED LOCALLY: Count includes both residents and non-residents of Unalaska.
