Re: Resolution 2022-16: A Resolution of the Unalaska City Council establishing the sum to be made available from the City of Unalaska to the Unalaska City School District for Fiscal Year 2023

SUMMARY: Unalaska City Code 2.98.090 states that the School Board shall submit the school budget to the City Council by April 1 each year. Within 30 days after receipt of the budget, the City Council must decide on the total to be made available from local sources for school purposes and provide the School Board notice of the amount to be made available. By submitting its budget on March 31, 2022, the school district met the requirements of code. Through Resolution 2022-16, Council will establish the level at which the City will fund the school district for FY23.

PREVIOUS COUNCIL ACTION: Each year Council adopts a resolution indicating the local contribution rate to be made to the School District for the upcoming fiscal year.

BACKGROUND: UCSD is basing their FY22 budget request on the Governor's proposed Base Student Allocation of \$5,930 which represents no increase from FY 2022 and 2021. At the time of this writing, the Legislature is in session and there is a chance the BSA could change, in which case the Local Contribution Amount could also change, and only that amount would be paid to the Unalaska City School.

DISCUSSION: The School District submitted their budget on March 31, 2022 and presented their budget to Council on April 12, 2022. Council must indicate the level at which it intends to fund the District by May 1, the 30-day deadline set out in Title 2. Therefore, Council should adopt a resolution indicating the rate (Minimum Required Local Contribution or Maximum Allowable Local Contribution) at which they plan to authorize funding. For several years, the School District has requested funding at the Maximum Allowable Contribution rate plus additional funding. In the past, Council has approved UCSD's requests for the maximum allowed by the cap and for funding that falls outside of the cap.

ALTERNATIVES: The Council has four alternatives:

1. If Council wishes to fund the full request that includes \$3,994,910 for the maximum contribution and \$1,010,000 in funding outside the cap, for a total of \$5,004,910. Resolution 2022-16 will be approved as presented.
2. If Council wishes to fund only at the minimum required local contribution rate, Resolution 2022-16 must be amended to reflect the minimum required level of \$2,276,669 in local funding.

3. If Council wishes to fund only the request for funding at the allowable maximum level, Resolution 2022-16 must be amended to reflect the maximum local contribution level of \$3,994,910.
4. If Council wishes to fund the District's request at a level beyond the minimum required level but less than the maximum amount, Resolution 2022-16 must be amended to reflect that amount at which Council chooses to fund the district.

FINANCIAL IMPLICATIONS: The School District's FY23 Maximum Local Contribution request is \$3,994,910, an 8,96% increase from the amount for FY22. The maximum local request for FY23 has been increased by \$328,534 due to an increase in this year's assessed valuation. The funding level requested for FY 2023 (and shown in the resolution) includes separate appropriations for community schools, preschool and food services. The additional funding that falls outside the cap totals \$1,010,000.

LEGAL: Not applicable.

STAFF RECOMMENDATION: Staff recommends that Council adopt Resolution 2022-16 establishing USCD's funding level for FY2022.

PROPOSED MOTION: I move to adopt Resolution 2022-16.

CITY MANAGER COMMENTS: I support staff recommendation.
