## INTRODUCTION

City Council approved Ordinance 2014-05 in 2014 which amended various sections of Title 2 of the Unalaska Code of Ordinances, including sections related to Historic Preservation. The Planning Department and Parks, Culture, and Recreation Department consulted with the City Attorney regarding the selection process of Historic Preservation Commissioners. Approved changes created a new UCO 2.76.015, stating that the Historic Preservation Commission membership is the Planning Commission membership, including the Planning Commission's *ex officio* members (*i.e.*, the City Manager and the Director of Planning). While remaining non-voting for Planning Commission decisions, the City Manager and Director of Planning would be full members of the HPC.

Unalaska Code of Ordinances §2.76.040 identifies the duties and responsibilities of the HPC. This is based on the requirements of local governments participating in the Alaska Certified Local Government Historic Preservation Program. The duties and responsibilities are listed below.

- To survey and inventory community historic resources including historic, architectural, and archaeological resources within the community;
- To review nominations to the National Register of Historic Places and consulting with federal and State authorities in section 106 reviews under the National Historic Preservation Act;
- To act in an advisory role to other officials, and to City Departments regarding the identification and protection of local historic and archaeological resources and historic preservation planning;
- To enforce state historic preservation laws. The Historic Preservation Commission shall support the enforcement of the Alaska Historic Preservation Act;
- To review, and where it is deemed appropriate, recommend nominations to or deletions from the Unalaska Register of Historic Places to the Unalaska City Council twice yearly.

§ 2.60.090 of the Unalaska Code of Ordinances requires each board and committee to submit an annual report which summarizes the activities which have occurred during the previous year. The Annual Report is a mechanism for monitoring those activities and for presenting to the City Council the goals and objectives for historic preservation in the coming year.
